

# Man of the Shroud Exhibit at St. Joseph Hall

Route 66, Lucinda PA

August 4-12

Everyone is welcome! For all ages!

The exhibit is free and the public is welcome to visit. (However, free-will donations will be accepted, and they go to the Franciscan Friars at Marytown Illinois for the upkeep of the exhibit.)

The Shroud of Turin has long been venerated by the faithful and is believed by many to be the burial cloth of Jesus of Nazareth. The Shroud is one of the most scientifically studied religious icons in history. As science has progressed, so has the speculation on how the image of the crucified man of the Shroud was made.

The exhibit presents the results of a comprehensive scientific, historical and forensic study with numerous photographs and illustrations. The exhibit is the work of the Center for the Study of the Passion of Christ and the Holy Shroud and Monsignor Giulio Ricci and other scientists, who spent more than 25 years researching the Holy Shroud.

The **centerpiece of the exhibit is a full-length 14-foot replica of the Shroud** developed from a photographic image of the Shroud made by the Eastman Kodak Co. The replica shows the front and back of the shroud. In addition, the mobile exhibit contains a large crucified corpus showing the wounds of Christ corresponding to the passion narrative in the Gospel accounts and the wounds shown on the Shroud. The exhibit contains numerous panels detailing the history and science of the Shroud.

The Franciscan Friars of Marytown - the National Shrine of St. Maximilian Kolbe - make this important mobile exhibit and evangelization tool available on loan. If you have any questions, please call 814-226-9281.
